Summary

Children's Network serves as co-chair and provides support services to the High Desert Partnership for Kids and including creating and updating the interagency MOU. Children's Network helps identify gaps and overlaps in areas of service to benefit the High Desert Partnership for Kids and helps coordinate the planning and programming to provide those services. Children's Network also provides case management through the Family Preservation Councils.

Summary

The Children and Families Commission for San Bernardino County was created in December 1998 to realize the benefits of Proposition 10 (California Children and Families First Act) for the County's youngest residents and their families. The act created a program for the purpose of promoting, supporting, and improving the early development of children from the prenatal stage to five years of age.
